

**Mid-Atlantic Region Ecological Observatory (MAREO)
A NEON Implementation**

**Executive Committee Meeting
November 2, 2005 (10AM-3:00PM)**

**Auditorium Smithsonian Conservation and Research Center
Front Royal, Virginia**

Agenda

- Round-table update on recent activities relative to MAREO
- How to go about developing a Prospectus
- Regrouping as Domain 2 and reaching out to new members
- The MAREO agenda, independent of NEON - do we want one? How to develop one, etc.

We recommend 2 areas of PREPARATION that all the EC should do before Wednesday:

1. Review of Smithsonian's model "proposal" draft
2. Review past minutes to glean areas where MAREO might focus.
3. Review Power points and other reports from NEONinc web page
